Nothing will stop Heinsburg Class of '87 now

"Nothing's Gonna Stop Us Now..."

This was the theme chosen by the eleven members of the Heinsburg High School's Class of '87, for their Farewell Exercises last Friday evening, June 5, at the Heinsburg Community Hall.

The enthusiastic group, along with their escorts and families, was introduced by Master of Ceremonies Lorne Young prior to the banquet which started off the evening. Pastor David Shoop gave the blessing.

The traditional toast to the parents was given by Sheila McGillis, with a reply by Mrs. Dorothy Krider. Josie Dion of the graduating class toasted the teachers, with Mr. Gus Anand replying. Lorne Young toasted the Grads, advising them to "Always be proud of yourself ... and exemplify the best qualities of young people today."

Young then relinquished the microphone to fellow teacher Bob Hendricks, as action moved to the other portion of the hall for the exercises.

A solo by Karac Hendricks, "Somewhere Out There", was accompanied by Marge Carter, who had also opened the evening with "O Canada".

Principal Laverne Wilson

remarked on the "fine, responsible group of young people" in the Class of '87. He thanked them for their involvement in sports and Student Council, and shook hands with each individually.

Student Council President Kirsten Vinge reported a successful year, with increased participation by students and teachers alike in a variety of activities sponsored by the Council.

The valedictory address was presented by one of the adult students in the graduating class, Mrs. Pat Goertzen. She spoke on the "mixture of emotions" present at graduation: "joy, pride, excitement, determination, and a twinge of sorrow". Each of the graduands will be travelling down a different road in their future, she said, "but we will all do our best to make you proud of us".

"We stand in awe of all that awaits us", Mrs. Goertzen continued, "and we are ready to be achievers and succeeders in any goal we set." She thanked the parents, families, teachers and friends of the graduands, and pledged on behalf of her classmates, "Nothing is going to stop us now!"

Mrs. Goertzen said that as an

Elk Point Town Council studied the latest draft of their 1987 budget at Monday's meeting, going over the Town's priorities and most urgent needs to determine where available funds should go. Further study is imminent, and a special meeting may be called for this purpose.

The agenda was brief, but the meeting lasted over three hours as work to be done this summer was discussed at length.

Following a visit to Council's last

meeting by representatives of the Golf and Country Club, an addendum to the golf course lease agreement will be drafted by the Town's solicitor. Council agreed to have 3-phase electricity brought to the recreation land.

A new Alberta Government program aimed at employing presently unemployed persons in projects benefitting communities may provide funding for development work on the recreation land. Council will apply

for funding under the Alberta Business and Community Development Program (ABCD) to a maximum of \$150,000.

Also on a recreational note, Council was told that approval has been granted by Alberta Mortgage and Housing Corporation to establish a temporary neighborhood playground in the Ken Art Subdivision. The recreation board will meet with the residents of that area to discuss the development of the playground and will bring recommendations back to Council.

Sidewalk construction costs obtained thus far did not meet with Council's approval, and further prices are to be sought for the project. Further prices are also required on repairs to 51 Street.

A storm sewer to cross 50 Street at an angle north of 51 Ave., to drain much of the runoff which accumulates at that point, was approved at an approximate cost of \$7000.

Council approved progress payments to Klushin Construction, Stanley A.E.L. and A.G.T. on the Highway 41 reconstruction.

Increased servicing standards for the Park Lane mobile home subdivision were discussed, with Council approving the third option proposed by Park Lane Investments Ltd., under which the Town would debenture the sum of \$55,420 for upgrading, base course, curbs and gutters, and would recoup 100 percent of the cost from the property owners.

Bright and early meeting for Chamber

Elk Point Chamber of Commerce hosted their first-ever Breakfast Meeting last Wednesday, with a grand total of ten turning out for the 7:00 a.m. event. The Chamber's second meeting of the month, on June 17, will be at the regular time of 12:00 noon.

The early hour was no deterrent to fresh ideas, however, with several items of new business discussed. One suggestion was of obtaining a short videocassette film showing the amenities and pleasant surroundings Elk Point has to offer those considering a move to the area. A film of this sort has been shown to an Elk Point family which is relocating to a new town, by the realtor there and met with good response, Bruce Kleeberger told the Chamber. Beth Brooks suggested that her rental video camera could be used to make such a film, and that extra copies could be made for the use of real estate agents, etc.. The idea will be discussed further by the Promotion Committee, before a decision is made on the production of a film.

Allan Frankiw brought the concerns of the Elk Point Fire Department to Chamber. Once again, a search for more firefighters is on, and specifically for firefighters who work in Elk Point during the day and would be available if a fire broke out during that time. President Ed Buck suggested the Department might look into the use of auxiliary firemen (those who had been previous members of the force) and women firefighters. It was noted that the Elk Point Fire Department serves a very large area surrounding Elk Point as well as the town itself.

Difficulties experienced by natives from surrounding areas in cashing cheques in Elk Point are causing the loss of "a lot of potential business," according to Bill Hayman, who asked that the Chamber's Business Committee meet with the local banking institutions to see if the problem can be solved in some way. It was noted that the banks sometimes have trouble keeping sufficient cash on hand to deal with an influx of large cheques which do not appear at regular intervals.

President Buck told the gathering that the Bonnyville Chamber is lobbying for a road to be built from Bonnyville, and also from Murphy to the Heinsburg area. The Government Liaison committee will be asked to contact MLA John Drobot to express the Elk Point Chamber's concerns with the project, which could cut the traffic flow through Elk Point to a substantial degree.

A recent rash of bad cheques being presented to local businesses prompted a suggestion that the Elk Point RCMP be invited to a future meeting to discuss what can be done in this regard.

Karen Reed reported that the Membership Drive is now under way, and that she and her helpers will be visiting all Elk Point businesses in the next two weeks to sell memberships.

Contests galore for Canada Day

Numerous contests, including several new and innovative activities have been planned as a part of Elk Point's 1987 Canada Day program.

New contests include Ladies' Cake Decorating, Men's Steak Barbecue Cook-Off and Men's and Ladies' Arm Wrestling.

The Elk Point Order of Royal Purple, who traditionally supply a beautifully decorated Canada Day cake, will be sponsoring the Ladies' Cake Decorating Contest, which will have a \$30 cash first prize and ribbons for second and third prizes. Pre-registration is necessary for this event and ladies with a flair for this artistic craft may call Jeannine at 724-3600 or Lois at 724-2095.

The Men's Steak Barbecue Cook-Off will also feature a \$30 cash first prize, and ribbons for second and third. Prime rib steaks, approximately 3/4 inch thick and a pound in weight, will be supplied by Elk Point Meat Processors for the event. Sponsor and

pre-registration requirements will be announced shortly.

Arm Wrestling, another new feature, will require registration only an hour before the beginning of the event. Two weight divisions (under 150 lbs. and 150 lbs. and over) for the Ladies' section and five weight divisions ranging from Flyweight to Super Heavyweight for the Men's section, will give all participants a fair chance as will a regulation table and proper refereeing staff.

Two other contests, which have proved popular in other years, will go again this year: the riotous fun of the Bed Races and the annual Poster Contest.

This year's sponsor for the Great Elk Point Bed Races will be the Royal Canadian Legion. A maximum of twelve teams will be allowed so advance entries, by 5 p.m. on Saturday, June 27, are a must. Call Helen Moneta at 724-2376 to register. Prizes will be awarded for the fastest bed

and the best dressed entry (which includes the team members and the bed itself), with \$50 cash for each set of winners.

Other rules are as follows:

1) Each team must consist of between three and five members, one of which must ride on the bed and the remainder of which must pull or push the bed for the duration of the race.

2) The wearing of protective headgear, such as hockey or motorcycle helmets, is mandatory for all team members.

3) Modified beds are permitted, but must not have wheels over 12" diameter or be smaller than 30" wide by 72" long.

The Poster Contest will again be divided into 3 age groups: Grades 1-3, Grades 4-6, and Grades 7-9. Prizes in each group will be \$20, \$10 and \$5. Size of entries may be 8 1/2" x 11" to 18" x 24". Each entry must have an official entry form, available at Elk Point and Heinsburg schools and at the Lakeland Review, attached to it. This year's theme for the contest will be "The Coming Of The Settlers", in keeping with the 80th anniversary of settlement in the Elk Point area. Entries may be dropped off at Elk Point Elementary School office, F.G. Miller High School Office or the Lakeland Review before 4:00 p.m. on Friday, June 26, 1987. The poster contest is again sponsored by the Elk Point F.C.S.S. Department and the Lakeland Review.

adult student, returning after 22 years away from school, she had anticipated difficulty in fitting in. However, she soon found this was not the case. She thanked the teachers, staff and her classmates for their help and acceptance, and her family for "putting up with a wife and mother doing homework".

Allan Abraham of the Graduating Class passed on the school colors to Grade 11 student Janita Calliou, in the annual ceremony.

Wendy and Dwayne Durocher then took turns at the microphone to relate some humorous facts about the members of the Grad Class.

Mrs. Carmen Brodziak, Director of Educational Programs for the County of St. Paul, presented the graduands with scrolls, each prettily decorated by school secretary Marie Zayac.

Teacher Marjorie Carter, "from the wilds of Hanna" and more recently of Heinsburg, was given a lengthy and hilarious introduction by Mr. Hendricks, as she came forward as featured speaker of the evening. Miss Carter related what she will "always remember" about each grad. She cautioned the class on the use of excuses - "It's easier to fall back on excuses than to face the truth" and urged them all to "get on with it ... it's a great life if you want it to be." Wade Krider presented Miss Carter with a unique floral arrangement at the conclusion of her address.

Ms. Lin Taylor, Director of Student Services for Northlands School Division, presented gifts to the three Northlands students, Sheila McGillis, Dwayne Durocher and Wendy Durocher.

Rob and Karac Hendricks closed the exercises with the singing of the class' theme, "Nothing's Gonna Stop Us Now."

The evening of celebration continued with a festive graduation ball.

The nineteen Grade 5 and 6 students spent May 25, till noon on May 26 at Camp Whitney. On the way to camp they stopped to visit the Dewberry Museum and the Frog Lake cairn. At camp, they were joined by three students from Tulliby Lake school and twenty-three from Marwayne. The weather was ideal for camping, and the time was filled with canoeing, archery, science, creative writing, map orienteering, nature and animal games and ecology lessons. Of course, there were the usual camp activities like singing around the campfire.

The Grade 1 and 2 classes had June 1 and 2 off while the Kindergarten students came to school for orientation. Also, on Friday, the Grade 9's spent half a day in Vermilion at orientation at their chosen school there.

On the sports scene, Wednesday, May 27, the soccer Aces beat Vermilion 2-1, and Vermilion beat the Bees 2-0. Monday, June 1, the Aces and Bees played each other and finished with a 0-0 score. Then on Thursday, Vermilion beat the Aces 2-1, and the Bees won their game with Vermilion 3-1.

The Clandonald boys ball team lost to Dewberry on Wednesday, May 27, then beat Vermilion 15-9 on Thursday, June 4.

The Clandonald PeeWee Girls had to postpone the Monday night ball game, but played Dewberry on Wednesday, winning the game in an overtime inning.

The Rusylvia Midget boys played in Marwayne on Thursday, June 4, and lost by one run.

Three Clandonald school teams played in the annual ATA Tournament in Kitscoty on Saturday, May 29. The Grade 3, 4 team was playing Toss Ball. They met two Vermilion teams, losing the first game and winning the second.

The Grade 5, 6 team was playing Fast Ball. They won two games, then lost the third.

The Junior High team was playing Slow Pitch. They won their first game and lost the second.

The Friendship Centre Bingo will be on Monday, June 15 at 8 p.m.

The Annual Fair Meeting will be held on Tuesday, June 16, at 8 p.m. in the Arena. The organizers ask for your attendance, support and assistance. Agricultural Society memberships will be available at the meeting.

There is a new event for the Clandonald Fair (August 8), a Scarecrow contest. Scarecrows will be judged on originality, design and purpose. It is suggested that you study up on scarecrow history. Two categories, over 16, and 16 and under will be judged on Fair Day. Call Elaine at 853-2759 or Bill at 853-2122 for more details.

Also, a reminder to enter the Fiddlers' contest by calling Matt at 853-2671.
